how to apply for the endow kentucky tax credit

Please use the following steps to ensure you receive your Endow Kentucky Tax Credit:

1. File an application for preliminary authorization of the tax credit with the Kentucky Department of Revenue. To obtain the application, visit horizoncnky.org/2025-endow-kentucky.
2. After completing the approved preliminary authorization form, please email a copy to Nancy Grayson (ngrayson@horizoncnky.org). Please keep a copy for your records. Horizon Community Foundation will submit your application as a courtesy when the application window opens on July 1. Timeliness is critical as these tax credits have been completely allocated during the first week of July historically.
3. Within 30 days of receiving the approval letter from the Kentucky Department of Revenue, you must make the contribution to an endowed fund at Horizon Community Foundation of Northern Kentucky.
4. Within 10 days of making the gift, Horizon Community Foundation will send proof of the gift to the Kentucky Department of Revenue by filing the Notice of Endow Kentucky Tax Credit and Certification form. The Department of Revenue will then review the provided proof and issue a letter of final approval to you as the donor.
