COMMUNITY FUNDS

Horizon Community Funds of Northern Kentucky brings people together to donate and contribute in ways that have never been available before, to combine their resources to help break the cycle of poverty, support the arts, spark development and innovation, enrich our children's education, and improve the health and wellness of our community.

community impact fund

INVEST IN NORTHERN KENTUCKY, NOW AND IN THE FUTURE

Community funds are the most flexible type of fund, and they empower our Council of Trustees to apply their judgment in assessing our community's needs and supporting Northern Kentucky's most critical endeavors.

field of interest fund

SUPPORT AN AREA OF INTEREST IMPORTANT TO YOU

Field of interest funds allow you to direct your charitable giving toward an area of interest without selecting a specific organization.

donor advised fund

CHOOSE YOUR CHARITIES AND YOUR TIMING

Donor advised funds give you ongoing involvement in the distribution of your charitable gifts. These are convenient and flexible tools for highly motivated people who are likely to be personally involved in philanthropy.

designated fund

SUPPORT YOUR FAVORITE ORGANIZATIONS

With a designated fund, you can directly give to one or more specific organizations and even select a specific purpose for use of the monies within the organization. This is a way to provide ongoing funding for social service agencies, arts organizations, educational institutions, and more.

agency fund

ENSURE LONG-TERM FISCAL HEALTH OF A LOCAL ORGANIZATION

Agency funds are established by a nonprofit that transfers certain assets to Horizon Community Funds and designates itself as the beneficiary of the fund. Funds are professionally invested under the supervision of local, community based financial experts who have experience in building and preserving funds in perpetuity.

scholarship fund

INVEST IN TOMORROW'S LEADERS

Scholarship funds are effective vehicles to help students achieve their dreams of an education. These charitable funds help alleviate the cost of education and can be put toward tuition, fees, and other expenses.
